What if my son becomes sick during camp?

If your son becomes sick with a contagious condition during camp, you will be called to take him home. A sick child cannot enjoy camp, and keeping him at camp could put other campers and staff at risk.

Picture Day with HD

Each camper will have his picture taken with Coach Davis during the camp session. A digital proof will be available for download with no charge at www.maggiehobsonphotography.zenfolio.com. This gives parents the opportunity to duplicate the photograph without an extra fee. The camp gallery is password-protected and will require the following group password for viewing photos: **cbs2025**

Parents can locate the photo by searching by last name or browsing by camp date and group/team name. Parents should contact the photographer through the website if there are any problems in locating and downloading photos. **The photos will be posted online within three weeks after camp.**

CAMPER EXPECTATIONS

1. We expect our campers to be on their **best behavior**. They are now representing the Hubert Davis Carolina Basketball School and the University of North Carolina Basketball Program.
2. We **do not tolerate bad behavior or bullying**. We do expect campers to report any bullying to a camp staff member or coach. This will ensure the situation is handled properly so that every camper can have a GREAT CAMP experience. If multiple or extreme offenses occur, campers will be sent home.
3. We expect campers to **be attentive** at all times. Our dorm staff is in place to ensure campers are following their specific schedule (wake-up call, meal check-in, bus roll call, bed check, lights out). Therefore, **campers are expected to be on time**.
4. Campers are expected to **make their beds and turn off their lights**. A form of discipline called a "TOUR" is given to the camper that does not meet these expectations. This is adopted from the Dean Smith Basketball Camp era. It becomes a contest to see which group has the least number of "tours" and the winning group will be rewarded at the end of camp.
